## Insurance Provision

The following list of insurance resources and providers is offered for those wishing to research insurance provision options in the INGO sector. Whilst it is not intended to be a comprehensive list of all providers it is hoped that it will provide useful signposts.

**People In Aid does not recommend specific websites, publications or organisations offering services or support. Every reasonable effort has been made to ensure the accuracy of the material offered, however, we cannot be held responsible for any adverse outcome of using it or engaging the services external of agencies. All contact details are correct as of May 2007**
